## SUPERIOR

ALL MODELS INCLUDE A BUILT IN TEMPERATURE GAUGE

**High dome hood**  
High Dome aluminium hoods with accurate temperature gauges. No compromises with Ziggys - you get the best with every grill.

**Down under grill**  
The Ziegler & Brown Grill series have been proudly designed, tested and used every day in Australia and New Zealand.

**Burner technology**  
Single, twin or triple stainless steel burners are fully controllable for more economical gas consumption or performance with more punch when cooking power is required.

NATURAL GAS CONVERSION KITS ARE AVAILABLE TO RUN YOUR ZIGGY TO MAINS NATURAL GAS

**Heat**  
Powerful performance for a fast heat up and immediate heat recovery for superior cooking, even with the hood up!

FLAME THROWER IGNITION - LIGHTS FIRST TIME, EVERY TIME!

**Accessories**  
Uncompromised versatility. There's almost nothing you can't successfully cook on a Ziggy when using the array of accessories available.

5 YEAR COMPREHENSIVE WARRANTY - NO LIMITS HERE!

**Venting**  
Excess heat and greasy smoke is exhausted from a rear vent. It's safer, more comfortable for the operator and it doesn't splatter grease all over the grill and its side trays.

**RAPID PRE-HEAT - FROM 0 TO 250°C IN NO TIME FLAT!**

**Clean up**  
Clean up couldn't be simpler with a useful collection tray collecting excess fats and oils that run quickly down the dome shaped grill body.

# The **take anywhere** BBQ

Pop it in the boot or on the back seat. Take it camping, to the beach, on picnics, use it on the balcony or BBQ beside the pool. It's great for big spaces, small places, flats, home units or apartments.

Big enough to cook a roast!

For mouth-watering results every time; pancakes, bacon, eggs, a cook up brekky. Use the optional full enamel cast iron hotplate or try the optional cast aluminium non-stick 1/2 hotplate. Both hotplates are reversible.

Optional trivet allows you to turn your grill into a cooktop. Perfect for camping!

The detachable grease cup seals tight against the BBQ for safe, cleaner transport.

Superior quality, exceptional performance and ultimate portability!

Awarded Good Design® Selection 2015

## Two stand options for the Portable Grill

This stand is compact, easy to carry, assemble, transport and store.

This handy cart comes with integral storage space for your optional accessories. It also has the capacity to hold 4-9kg gas cylinders.

Simply fold flat with or without BBQ in place for easy transport and storage.

Ultra portable... The roll back hood locks into place.

The optional Carry bag includes a shoulder strap or use the BBQ hood handle to carry your Ziggy. Comes with handy storage pockets for extra accessories.

# Twin burners for even greater control

Thanks to the combination of a powerful twin-burner cooking system and a high-domed hood, you have the option to cook with the hood open or closed, creating endless outdoor cooking options.

Twin grills gives you loads of space to cook more on your Ziggy. The optional warming rack expands capacity even further.

## Two stand options for the Twin Grill

This cart comes with integral storage space for optional accessories, it also has the capacity to hold 4 or 9kg gas cylinders.

Cart comes equipped with full width condiment shelf, bottom shelf for additional storage and an inbuilt hook for gas cylinder support.

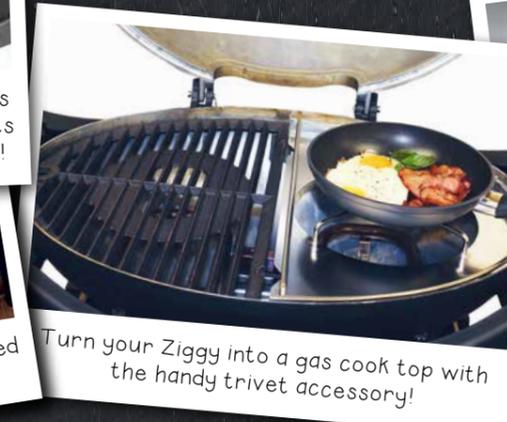

The enamel cast iron grill comes in 2 parts which makes it easier to handle and one 1/2 can be swapped out for the optional reversible hotplate.

The high dome roasting hood has serious capacity, cook two roasts at once or one almighty turkey!

Cooking grills are rust protected and can fit into a dishwasher.

Turn your Ziggy into a gas cook top with the handy trivet accessory!

The twin stainless steel burners can be used together or separately for different cooking requirements. They light first time, every time.

Removable drip tray for simple and easy cleaning.

Cleverly designed side shelves are durable, stow away easily, are removable and act as windshields on windy days.

# The **complete** BBQ system

Unrivalled for quality, versatility and power, the Ziegler & Brown Triple Grill will change the way you barbeque!

The triple stainless steel burners can individually control their own heat zones. Additional to the enamel cast iron grills, the optional hotplate, baking dish and trivet provide a huge range of cooking configurations for different techniques.

The Triple Grill has the capacity to cook multiple roasts, turkeys, standing rib roast, veges and much more on the optional baking dish.

Cleverly designed side shelves are durable, stow away easily, are removable and act as windshields on windy days.

Cooking grills are rust protected and can fit into a dishwasher.

The Triple Grill was the winner of the 2014 reddot European Design Awards. Recognised as a leader in its category, it outclassed the competition in both design and functionality.
